

# CHRIS HARVEY

JUNIOR WEB DEVELOPER

## PROFILE

My journey in Web Development began through self-tuition, using Udemy, FreeCodeCamp, and CodeAcademy to assist my learning. I attended the SAE institute and achieved a BSc (Hons) degree in Web Development. As a Junior Developer, I focused my time at Vivid Atom, assisting senior staff in developing websites for clientele. I am continuing to build my career in Full Stack Web Development.

Dear Sir/Madam

As a Junior Developer with a BSc (Hons) in Web Development, I believe I possess the skills and knowledge to make a significant contribution to your company. As such, please find attached my CV for your perusal.

My current skills include the following:

- Designing, building, and maintaining websites.
- HTML/CSS and JavaScript
- Vue Js
- Responsive web design
- CSS Frameworks(Bootstrap, Tailwind)
- WordPress
- Knowledge of PHP and MySQL for backend development.

My passion for web development is evident in my time spent as student and a Junior Developer, with a drive to learn new skills. I am highly motivated and self-disciplined but also able to work as part of a team, to multi-task, prioritise and work to deadlines under pressure.

I am available to come in for an interview at any time and hope to hear from you soon.

Yours sincerely,

Chris Harvey
